TASK 1: RACE

Option 1:

Cut and place the Colour Cards around the room.

Say a colour and students need to race to that colour.

Option 2:

Place Colour Cards on the white board.

Give a small ball to a couple of students and get them to stand in front of the board.

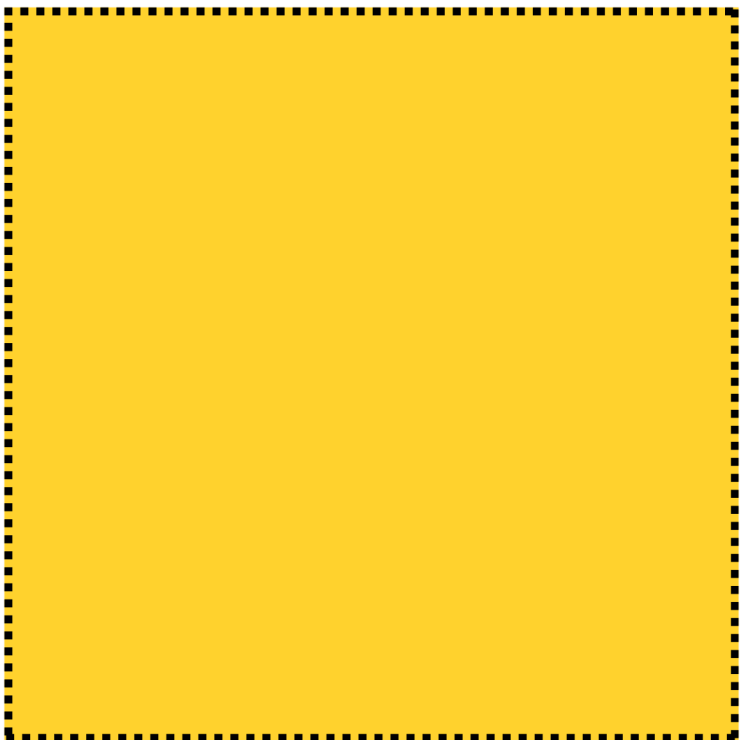

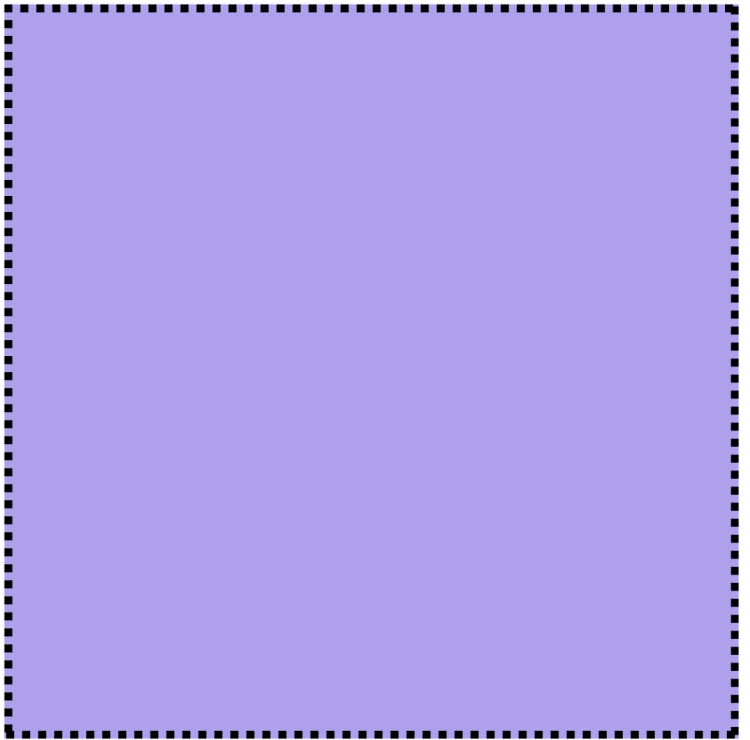

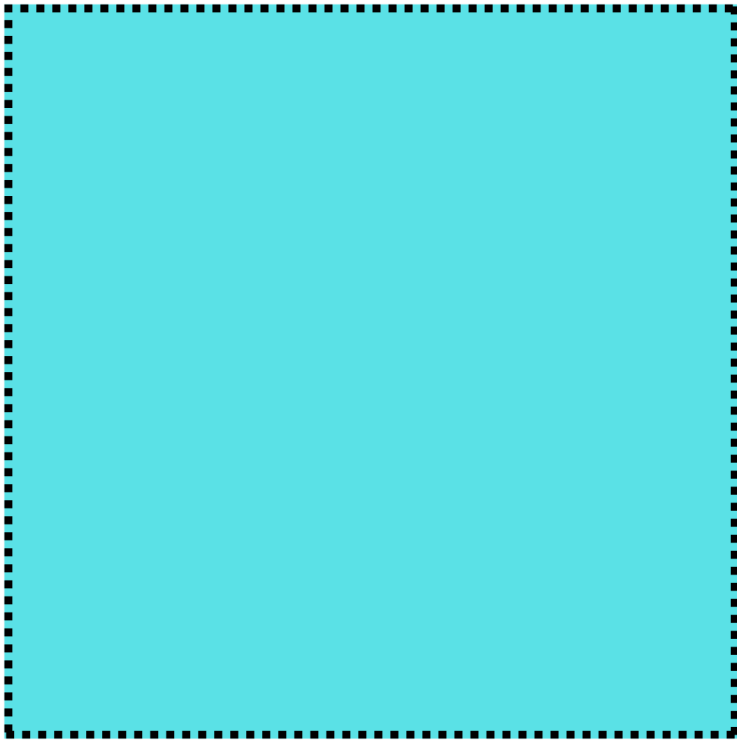

Say a colour and the first student to throw the small ball to the colour wins a point.

Purpose:

- Testing colour identification

TASK 3: MEMORY MATCH

Put students into partners.

Cut all the cards and shuffle them.

Students place the cards face down on the table.

They take turns to turn over two cards, aiming for a match of the colour and the word.

If the cards don't match, students turn both cards back over and then the other student has their turn,

Purpose:

- Word and colour recognition
- Memory of card placements
